Claim Association Meeting.

At a meeting of the Bellevue and Platte Valley Claim Association, it was RESOLVED. That the members be requested to make a plat of their several claims, showing as near as possible, their connection with the Government Surveys, and also the streams and roads that pass through or bound them, so that a map may be made for the use of the Association, and that such plats be handed to the Secretary as soon as possible, JOSEPH DYSON, President.

Now, in the Slave Power's heyday of victory, when its ministers and servitors are athering and plotting to make the most of their triumph and "crush out" the spirit which they vainly believe to be crucified and ntombed-now, when the faint-hearted or by such a table as the following-the work cold-hearted who tately basked in the sunshine of our premature hopes are bauling off to repair damages and talking of abandoning the rugged arena of Politics for more quiet and flowery fields-now, in this hour of weariness and shadow, THE TRIBUNE renews its vows of eternal hostility to every form of ranny over the bodies or souls of men-to the shameful assumption that the benighted and feeble, whether in soul or body, are to be regarded and treated as the convenience or the prey of their wiser or stronger brethren-to the

univation of despots and oligarchs, whether of empires or plantations-to the enslavers of cities and kingdoms in Europe or the breeders of children for the auction-block and the cot--field in Virginia or Alabama, The doctrine that no human being was ever created for the benefit or advantage of another-that all service between man and man should be free and reciprocal—that the labor-er should not toil and sweat to pamper others' pride or minister to others' luxury, but for the sastenance and comfort of those near and dear to him-is destined to certain triumph. It MUST prevail, for God reigns, and Earth was not created to be a theatre of injustice, op-pression and misery forever. It wust triamph; for all true prophecy affirms and the vindication of the Divine benignity imperatively requires it. It MUST friumph; for De-America cannot always remain the scoff of aristocrats and the shame of reformers and liberals throughout the Old World. It MUST triumph; for Man's history is not a

choos or a riddle, but everywhere instinct with meaning; and no heroic effort ever failed

of its effect-no drop of martyr blood was ever shed in vain. But even if we Republicans were disposed engthening their cords and strengthening their stakes with a vigilance and activity ca, and waging a war of extermination on the distracted inhabitants of its petty Republics, while it by turns leers and scowls at Coba while its most ruthless bands are precipitated violence of Buford's and Titus's blood-thirsty bandits, have been convicted by Lecompte's Court of manstaughter! and sentenced to five ars' imprisonment at hard labor as felons. This is but a fair specimen of what has long passed for "justice" in Kansas—a justice which takes the criminals into pay and aids them in hunting down, plundering and "wi-ping out" the innocent, whom it consigns to the State prison if they are ever goaded into the madness of resisting their oppressors. Such crimes and wrongs as unhappy Kansas has for twelve months endured, even Hungary or Poland has never known; and the Power at whose instigation these villainies were and are perpetrated sits enthroned in the White House, and has just achieved another four years' ascendancy in the Federal Governeven for an hour?

THE TRIBUNE will be, as it has been, a Political journal-avowedly, though not exclusively so. It recognizes the truth that Freedom and Slavery are here grappled in deadly conflict, and that in the result one of them must lose all control over the Federal given. Government. But, while it gives prominence and emphasis to the discussion and elucidation of the great issue of the day, it sinks none of the characteristics of a Business and orders filled on a small advance on cost. 1-tf Paris, Constantinople, Havana, San Francisco, Albany and other centers of interest, our special advices will be, as they have been, fresh and reliable. Our reports of the most interesting Lectures, Public Meetings, &c., will be full and reliable, and our Foreign and Domestic News made up with a careful regard to the condensation into our ample columns of the greatest amount of intelligence that is consistent with the use of type of generous size. In short, if we fail to

WEEKLY AMERICAN. A FAMILY NEWSPAPER- A Household Journal- A Gazette of the News of the Country, and the World-Abounding in Literary and Miscellaneous Reading Devoted to Agriculture and Mechanics and containing E would respectfully announce to the the most reliable Weekly Review of the Bal-

REDUCTION OF PRICE.

The rapid and unprecedented increase of the circulation of the Baltimore Weekly Amerian, not only in Maryland, but in the Southern and Western States, is a most gratifying evidence that our efforts to furnish a first class family and business newspaper are fully ap-preciated by the large number of readers to whose interests it is especially devoted. Its completeness in every department of Domes-tic and Foreign News, and Literary and Miscellaneous Reading, and its reliability as a compendium of the Commercial and Business Affairs of Baltimore is so universally admitted, that it has become a necessity with all persons doing business with our city, whilst to the general reader it is acknowledged to be without a superior as a fireside journal,

The present large circulation, with a con-tinuation of the rapid accession to its subscription list since the 1st of January, aver-

In order to reader the Weekly American still more acceptable to its numerous readers, we propose during the present year to add largely to its attractive qualities, and in doing so shall spare neither labor nor expense to keep it in advance of all its cotemoraries, as a FIRST CLASS FAMILY NEWSPAPER, its size enabling us to give nearly double the amount of reading of any other Weekly paper published South of Philadelphia, and consequently rendering it the

LITERARY AND MISCELLANEOUS. We propose to greatly improve this department of the Weekly American, which will hereafter embrace the productions of the ablest and most popular world-renowned

WRITERS OF FICTION, with Literary selections that cannot fail to give universal satisfaction. It will also contain original and select articles on Science and the Arts, with Miscellaneous Reading that will be both instructive and entertaining.

FOREIGN INTELLIGENCE is another great feature of the Weekly American, in which we are sure its readers for the past year will bear witness to its being without a superior among the Weekly papers of the country. Receiving regularly full files of European journals, our compendium of Foreign Intelligence is made up from the fountain head, and is furnished in interesting detail, with a care in selection that has given universal satisfaction.

THE DOMESTIC NEWS,

embracing the affairs of the whole country, as well as of our own State and the Local Matters of the City, is also a feature of the Weekly American that cannot fail to give to its new subscribers, as it has to its old friends, the most universal satisfaction. The many hundred copies weekly mailed by our city readers to their friends in the country, and absent relatives, is an evidence of its great superiority in this respect.

THE AGRICULTURAL DEPARTMENT will hereafter receive special attention, and a column will always be found on our fourth page containing a variety of useful and valuable information to the Farmer. It will embrace original and selected essays from the

most able and experienced writers. THE COMMERCIAL DEPARTMENT has obtained a character for and accuracy not surpassed by any other paper in the Union. As a basis of this assertion, it may L. stated that at many flourmills, stores, and distilleries, so much reli-ance is placed on its market reports, that sales of grain and other produce are made in advance, prices being, by mutual agreement, based upon the quotations given in its com-mercial review of the Baltimore markets.
